

# dual

DU 102 black

: product card

A distinguishing feature of the Dual chair is the plastic panel that "blends into" the soft upholstery. The wide backrest and extremely comfortable foam offer a highly comfortable seat.

# collection advantages

## combination of two materials

As a result of combining two materials, we have created an armchair with an exemplarily modelled backrest, with a distinctive back where the plastic panel 'blends' into the soft upholstery. The Dual armchairs offer the possibility of free embroidery on the upholstered part of the armchair.

## maximum comfort

Dual provides maximum seating comfort due to not only the wide backrest and seat, but also the use of thick foam to increase seating comfort.

## proven ergonomics

Dual office chairs meet the requirements of international standards for ergonomics and safety of office furniture.

## technical data

DU 102 black

Standard ●  
Option ○

### Mechanism

Synchro and self-weighing—the spring force automatically adapts to the weight of the sitting person, range of adjustable recline angle(backrest:20°,seat:5°), with an adjustable seat depth (range: 58mm)	B+X	●
Fast-synchro with backrest fixed in 4 positions (range of recline angle: backrest: 20°, seat: 8°)	FS	○
Fast-synchro with backrest fixed in 4 positions (range of recline angle: backrest: 20°, seat: 8°), with seat depth adjustment (range: 58mm)	FS+X	○

### Additional adjustment

### CODE

Adjustable backrest height (range: 80 mm)		●
Adjustable lumbar support depth (range: 15 mm)	BLS	○

### Base

Plastic 5-star base (nylon) Ø700 + standard black ring (RB)	17	●
Polished aluminium 5-star base (chrome effect) Ø690	22	○
Powder coated aluminium 5-star base (colors according to Bejot sampler book) Ø 690	23	○
Powder coated aluminium 5-star base (colors according to Bejot sampler book) Ø 700 SB	33	○
Powder coated black aluminum 5-star base Ø 700 SBF Flexi (enabling 3D movement)	35	○

### Armrests

Without arms		●
Armrests adjustable up and down (range: 80 mm) with a soft cover plus:		
const. nylon black/thermo polyurethane armpad (TPU) fully recycling	P48B	○
