

fora

FR 4CC

: product card

The Fora lounge system is a collection of deep, soft sofas enriched with additional elements such as acoustic walls, tables and chaise longues. The minimalist base frame provides an intriguing contrast to the soft and generous seats, backrests and cushions. Fora successfully brings homely warmth and cosiness into open office and public spaces.

collection advantages

modern danish design

The Danish designer was inspired by organic lines and simple form. Fora successfully brings homely warmth and cosiness into open office and public spaces.

comfort and convenience

The soft upholstery foam and corrugated springs used for the Fora sofa provide a sense of extraordinary comfort and convenience.

unlimited arrangement possibilities

The juxtaposition of individual modules is possible thanks to special connectors, allowing you to create individual, endless configurations.
