

tables:out

TB OU 60H

: product card

Tables made of steel, gal-vanised and powder-coated, which makes them resistant to outdoor conditions. Despite their light form, the tables are solid and stable.

collection advantages

To the garden

These tables are made of steel, galvanized and powder coated with polyester. Thanks to this finish, the tables can be used outside e.g. in caf gardens.

For the Split collection

They come in two heights and two sizes of tops, in 4 color variants: cream, burgundy, black and dark green. They look great with the Split collection. They can be stacked horizontally without any quantity restrictions.
